TOTAL: 100.000%

EPA Reg. No. 499-370
KEEP OUT OF REACH OF CHILDREN

CAUTION

DIRECTIONS FOR USE
IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

Advance 375A Select Granular Ant Bait is a ready-to-use product for use in controlling numerous ants both indoors and outdoors. This bait formulation combines a mixture of foods and the delayed-action insecticide, Abamectin. This insecticide acts to reduce the population of worker ants and can cause an immediate halt in egg production resulting in colony elimination. Avoid use of other insecticides or sprays on or near Advance 375A Select.

OUTDOORS
BROADCAST APPLICATION: Use this product at a rate of 8 oz per 1/4 acre (or 1 lb per acre). This is equivalent to approximately 1.8 oz per 5,000 sq ft, or 0.4 oz per 1,000 sq ft. (1 tbsp. equals approximately 0.3 oz of bait.) Apply the product as uniformly as possible. Repeat application as necessary.

AROUND STRUCTURES: Lightly sprinkle the product evenly in a band approximately 1 - 2 ft wide around the foundation of the building. Treat visible trails with approximately 0.3 - 1 oz of product depending on the number of ants in the trail. Repeat application as necessary.

INDIVIDUAL COLONY OR MOUND TREATMENT: Use 1.5 - 2.1 oz of product per mound. Apply the product at the edge of the mound. Repeat application as necessary.

INDOORS
LOCATE ANT ACTIVITY: Follow ants back to voids. Apply product to cracks and crevices or voids where ants are active. In heavily traveled sites use up to 1.5 oz of product. Use a large Centrobulb® puffer or other appropriate application device to place the product into crevices or voids. Repeat application as necessary. Do not use in the food-feed areas of food-feed handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are defined as those areas where prepared foods are served such as dining rooms but excluding areas where foods may be prepared or held. Non-food areas are defined as areas such as garbage rooms, lobbies, eating areas, machine rooms, boiler rooms, garages, mop closets and storage (after carring or bottling). When applying this product in the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed.

* Centrobulb - Registered trademark of the Centro Co.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. Consult federal, state or local disposal authorities for approved alternative procedures.

STORAGE: Store in a cool, dark, dry place.

CONTAINER DISPOSAL: Empty container or bag by using the product according to the label directions. Do not reuse! Place empty container or bag in trash or for recycling if available. If container or bag is partly filled, call your local solid waste agency or call 1-800-CLEANUP for disposal instructions. NEVER PLACE UNUSED PRODUCT DOWN ANY INDOOR OR OUTDOOR DRAIN!
